New Coach For Junior Hockeyists

Through the enthusiasm and assistance of Bud Johnston, a newcomer to Vulcan, another try at hockey of junior age calibre is being made in town.

The Vulcan Flyers, a team of 15 years and under boys made up of 21 recruits, defeated Champion last Sunday 6-1 in their first outing of the year.

Doug Scott, Gordon Coombes, Johnnie Rea, Dave Wylie, Dennis Sparks and Lorne Schumaker all scored during the game which saw the score read 1-0 in the first period, 3-1 in the second and 6-1 in the final 20 minutes. Gordon Decker scored Champion's only goal in the game witnessed by around 100 at Champion.

Bud Johnston, whose winter hobby is skating and hockey, with some coaching done last year at Rolling Hills, became acquainted while skating, with arena caretaker Henry Lapenbush and when the youngsters heard he was interested in a hockey club they promptly approached him and things began to move.

Nine practices have been held, some equipment has been donated by service clubs, the boys are "completely enthusiastic" says the coach and if some backing can be found 20 kids will be off the streets for the remainder of the winter.

The boys supply some of their own equipment but they are desparately in need of help. The M. R. Morrison Ltd. machinery agency for which Mr. Johnston works, gives him time off for Wednesday and Friday practices and games and it is hoped the boys can find financial assistance to keep the club running.

Vulcan lineup: Goal, Dale Lebsack; Defence, Doug Scott, Doug Smith, Craig Brown, Chuck Rea, Gary Schuler, Bernie Swanson; Forwards, Jimmie King, Gordon Commbes, Johnnie Rea, Steve Lebsack, Dave Wylie, Dennis Sparks, Lorne Schumaker, Herbert Brewer, Robbie Ness, Tom Collier, Paul Voisey.

Two weeks ago, cutlines for the above picture would have dwelt on the eager anticipation of four youngsters for the days ahead which would take them through the excitement of the Christmas tree, decorations and glowing colored lights and finally, on Christmas morning, the opening of promised gifts. The photo is of the children of Mr. and Mrs. Pat Walker who farm 11 miles east of Vulcan, and was intended as a fitting sample of the Christmas joy shared in so many homes at this time of the year and was to appear in the Christmas issue. Seated in front of the beautiful stone fire-place in the living room of the Walker home is Patty on the left. Standing with her and reaching for her stocking is the baby of the family, Joanne. Bradley is on the fireplace ledge while the eldest daughter, Pam, is seated on the floor. Unfortunately the engraving of the photo was still somewhere between Camrose and Vulcan when the press deadline came up Wednesday noon before Christmas, and it had to be left out, along with other pictures appearing in this week's issue. The shipment became victim of the postal rush so we can only expect that the pleasant, well-mannered and extremely photogenic young children above, had the merry Christmas they dreamed of the night this picture was taken.

Hutterites Apply To Establish Colony Here

Application for permission to establish a Hutterite colony in the Kirkcaldy - Vulcan area has been presented to the Alberta Communal Properties Control Board, according to an announcement last week by a board spokesman.

The board will sit at Vulcan in February to hear an application by the Miami Hutterian Brethren of Magrath to establish a 6,500 acre colony south-west of Vulcan. The land involved is owned by C. W. Loose of Vulcan.

It is anticipated that businessmen, farmers and organizations of Vulcan and district will present a strong brief at the board hearing to protest the establishment of a Hutterite colony in this district.

Rain In January

Mild weather this past week, with temperatures in the 40 to 50 above range as Chinook winds hold sway, was highlighted Wednesday morning of this week with a steady rainfall.

The present mild weather has broken 77-year-old records for warm temperatures in January in Southern Alberta.

S.C. Leader To Address Meeting

Dr. R. N. Thompson, National Leader of the Social Credit Party, will be speaking in Nanton on Friday, Jan. 19, as part of his cross country pre-election campaign. The meeting will take the form of a banquet which is being sponsored by the Macleod Federal Social Credit Association and it is being convened by the Nanton Social Credit Women's Auxiliary under the presidency of Mrs. Fred Blake of Nanton.

Dr. "Bob" Thompson was elected party leader at the first national convention ever held by the party last July in Ottawa. He has re-organized the Social Credit Party on the federal level during the past two years. Over 50 candidates have already been nominated for the coming election which is expected in the spring.

Ernie Patterson, federal Social Credit candidate in the Macleod constituency, will also address the meeting. Mr. Patterson, who teaches school in Claresholm, states that although the election has not yet been called the party organization in the Macleod constituency is moving ahead rapidly.

Taken during Santa's visit to Vulcan before Christmas Wade Lebsack clutches his bag of candy during his short session with the bewhiskered gentleman. In the background is his mother, Mrs. Norm Lebsack in friendly discussion with Mrs. Pat Walker.

We're now headed into the bleak months of January and February but it's not too late to take a quick glance at the happy season just past. Above Santa stopped long enough for a picture on his way downtown to meet the children of Vulcan and district on Saturday, Dec. 16. He's seated in his brand new sleigh, custom built for him by Earl Galloway.

The above young lady on Santa's knee is one of 850 who had a word of greeting for Santa during his Christmas visit. She has since opened her gifts around her home tree and is now probably making resolutions to result in another such successful day next December.

Prizes Awarded

Christmas Lighting Displays Again Excellent

Although the sub-zero weather that prevailed around the middle of December may have discouraged some residents from putting up their outside Christmas lights there was still an excellent display around town and in the district. Many residents found it worthwhile to drive around at night and see the colorful displays and the 21-ft. Christmas tree in the centre of town, with its hundreds of varicolored lights, again drew innumerable favorable comments not only from residents but from out-of-town visitors.

The Board of Trade, conducting a Christmas lighting and decorating contest for the second year, was again very pleased at the general results. In the country, prizes for the best lighting displays were awarded to Pat Walker, Art Cutforth and Commodore Allen. In town, prizes for the best lighting displays went to Doug Smith, Bill Giles and Bill Wylie, while prizes for both lights and Christmas theme displays went to Earl Galloway, Phil Lucas and Dave Schierman, in that order.

FWUA Discusses Unitarian Service

The December 6th meeting of the Berrywater FWUA was held at the home of Betty Wickstrom with 18 members present proving the evening meeting to be quite successful. Roll call was, "What Christmas means to you," and a gift exchange in the form of draw strings.

Helma Sharpe who represented Berrywater in Calgary at the talk by Dr. Hitchmanova of the Unitarian Service Committee, gave a very interesting and enthusiastic talk on ways to help the Unitarian Service and the needy children. Some business men have sent Christmas cards saying so many dollars have been sent to India for milk rather than calenders for their patrons. They say 10c will supply a child with enough milk for a month. One 70-year-old woman made over 200 sweaters for the Unitarian. Old clean clothing can be left at 1708 1st St. N.W., Calgary, c/o No. 7 Fire Hall anytime.

The Christmas concert, short course and scrap book were discussed. Jeanette Sinclair reported on the FUA membership supper at the Stampeder Hotel in Calgary. The Library report was given by Mrs. Oldfield. Helma Sharpe attended the FUA Convention in Edmonton from Dec. 11 to 15. Resolutions were discussed.

Rita Love was presented with a lovely earring and pin set in appreciation for her work with Christmas cards. Several pieces were played on the accordian by Eddie Horkoff for the evening's entertainment, after which a delicious lunch was served by co-hostesses Jeannette Sinclair, Helma Sharp and Zola Webber.

Legion Auxiliary Elects Officers

Fifteen members of the Ladies' Auxiliary to the Canadian Legion were present for the December meeting held Wednesday, Dec. 20, in the Legion Hall. Mrs. A. C. Marsh, president, was in the chair and conducted the meeting with the assistance of the secretary, Mrs. Standing.

Mrs. Marg Snitzler, whose application for membership was received at the previous meeting, was duly initiated and welcomed as a new member.

Routine business matters were dealt with and a donation of $25 was made to the hospital fund. Mrs. G. Guimond, who convened the sale of tickets for a doll raffle, explained that due to a very full calendar of events during the month of December, the bake sale had been postponed to January and the raffle draw which was to have been held at the bake sale would be held at the December meeting. The lucky ticket holder was little Brenda Lee Dochery.

After discussion it was decided that the auxiliary would sponsor a series of card parties to begin early in January.

Merv Eamor of the Legion branch very ably conducted the election of officers for the Ladies Auxiliary, with the following slate being returned: President, Mrs. Ruth Woodman; first vice-president, Mrs. Hannah Matlock; second vice-president, Mrs. Edna Ully; Mrs. Norma Standing was re-elected secretary-treasurer. Executive members named were Mrs. Lillian Sparks, Mrs. Emma Matlock, Mrs. Beulah Bell, Mrs. Nan Degenstein and Mrs. Marj Snitzler. The newly elected officers were installed by Mrs. Bell.

At the conclusion of the business session a short program of choral singing, and accordian selections by Gordie Woodman was enjoyed and followed by a gift exchange. Lunch was served by a committee.

Purchased By Barons Man

Vulcan Hotel Changes Hands

Added to the busy stream of activities that make up the Christmas rush around the Advocate office was the introduction of this new piece of equipment just before Christmas. It is a second linotype, installed to take some of the load of the single unit presently in use. Gathered outside the office during the unloading, which of course took place in sub-zero weather, is Sterling Anderson and LaVerne Scott of the Advocate staff, the erector Don Green of Toronto Type Company and the trucker Cam Middleton, who brought the two to three-ton bulk from Edmonton.

Announcement was made Tuesday of this week of the purchase of the Dobbs Hotel from Mrs. Margaret Dobbs by Albert Schmolke of Barons.

Owner and manager of the hotel at Barons for the past two years, Mr. Schmolke was formerly in the hotel business at Medicine Hat. His brother, Otto Schmolke, will be manager of the hotel here, which has now been re-named the Vulcan Hotel.

Plans for the future improvement of the hotel include the opening of a dining room and coffee shop following renovations to this part of the building. The ladies' bar will be enlarged and a general program of renovating and redecorating will be carried out, including the addition of private bathrooms to some of the rooms.

Mrs. Margaret Dobbs, who with her late husband purchased the hotel in 1929, will remain in Vulcan for the next few months at least and will occupy a suite in the hotel.

A diplomat can tell you where to go and make you look forward to the trip.

Vulcan Over Quota For Second Survival Course

Vulcan was the first point in Southern Alberta to reach its quota of trainees for the second national survival training course, which starts next Monday, Jan. 8. Actually, the quota for the second course was reached before the first course was completed and enrollments for the course starting next Monday now stand at 37, which is seven over the quota.

No further enrollments can be accepted for the second course, but Lt. M. R. Burgess, officer in charge of the STU Platoon at Vulcan, advises that a third course will be conducted if enough applications are received. The fact that a third course would not be completed until the middle of April, when, depending on the weather, it might possibly conflict with farming operations, is expeceted to have an adverse effect on enrollments for a third course.

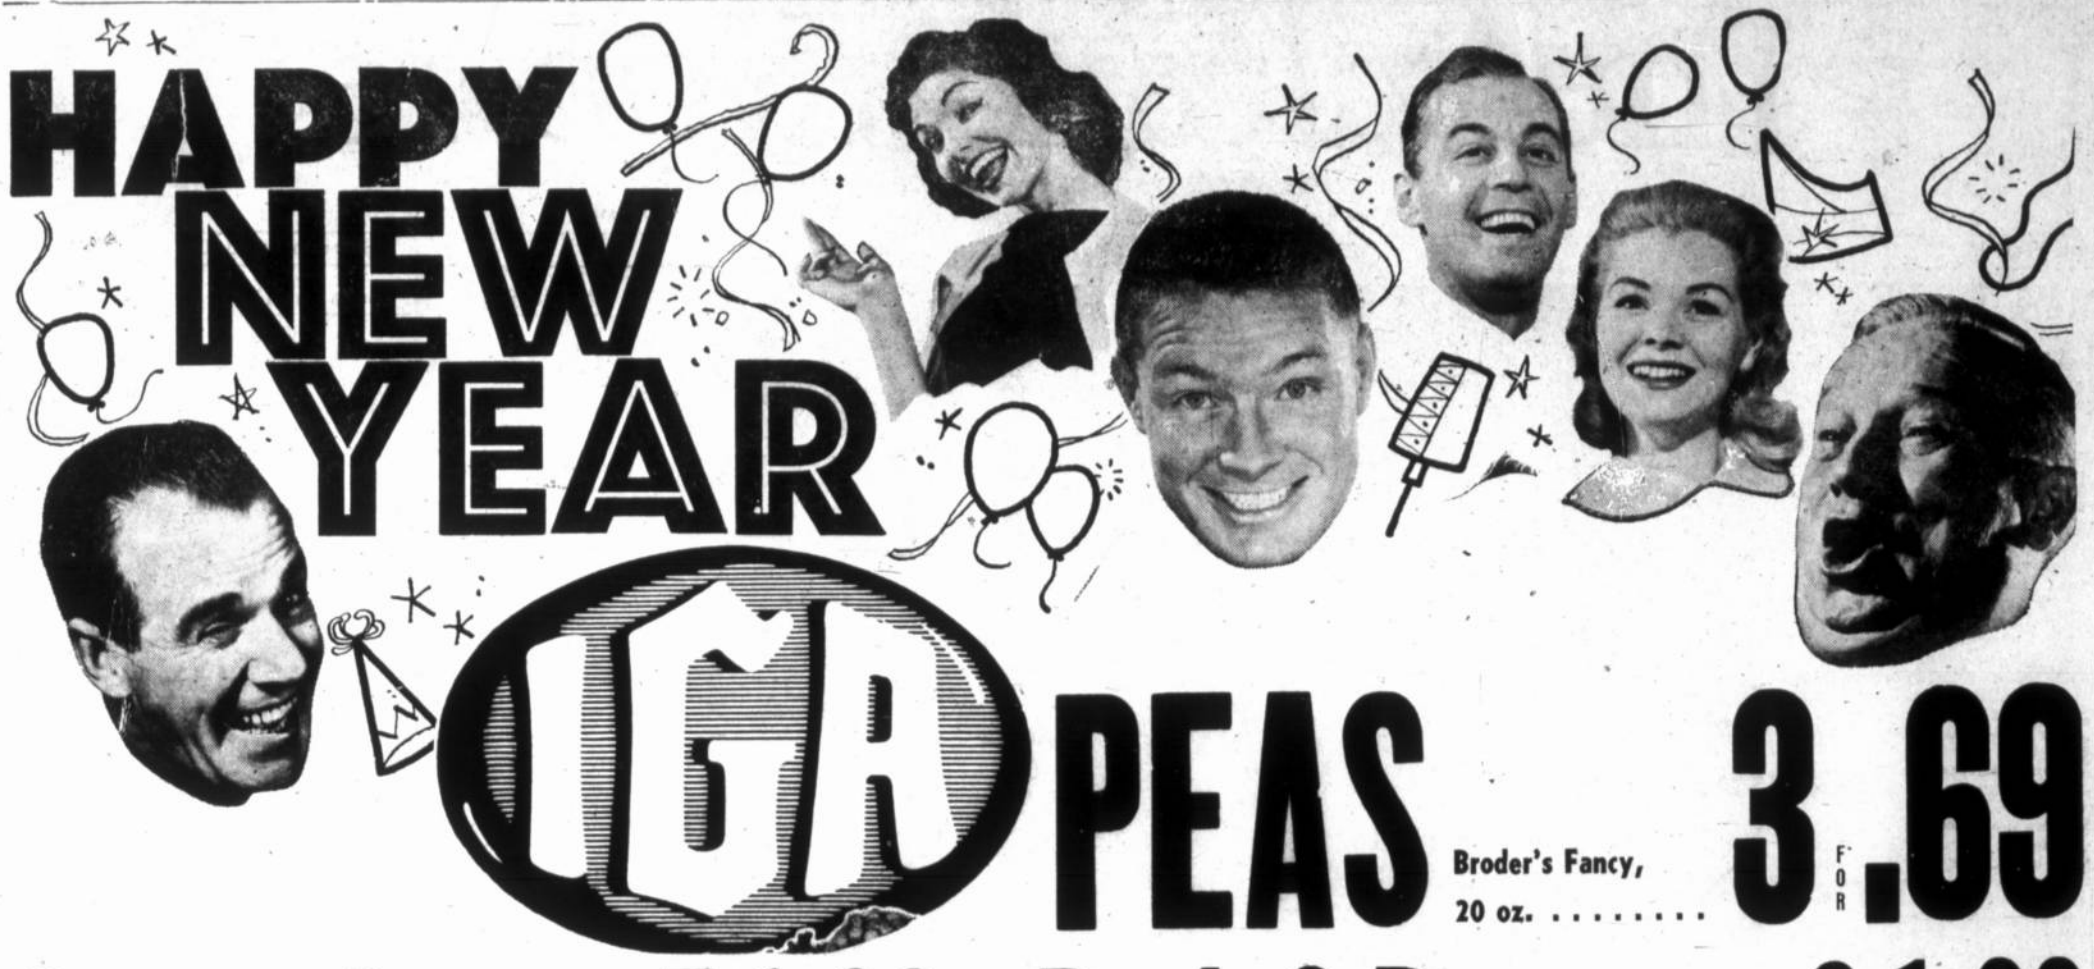

Each course covers six weeks of training in rescue, first aid and other national survival and military subjects. Training is conducted Monday to Friday of each week and each trainee receives $40 a week — the same pay as a private in the army.

Age limits are 18 to 50. Any men interested in taking the third course are advised to contact the Vulcan Armouries by phone or in person, 8:00 a.m. to 5:00 p.m. Mondays to Fridays or 8:00 p.m. to 10:00 p.m. Monday evenings.

"Buck-Passing" On Hutterite Problem

The Hutterian Brethren seem to be operating on the principle that if enough applications to establish new colonies are made, a few at least will be approved.

The application presented last week to the Alberta Communal Properties Control Board by the Miami Hutterian Brethren of Magrath to establish a 6,500 acre colony south-west of Vulcan is but the latest in a steady flow of applications for approval of the establishment of new Hutterite colonies.

The Communal Properties Control Board has an unhappy and thankless task and there appears to be no clear-cut policy laid down for it to follow. The lack of strong, decisive action by the provincial government in dealing with the Hutterite problem is hard to understand. If the federal government disclaims all responsibility, it would appear to be a provincial problem and the general public is becoming thoroughly fed up with the buck-passing of both federal and provincial government representatives who are generally in attendance at the board hearings.

Steps should be taken now to ensure that the Hutterite people will, in time, be assimilated. If special privileges granted them by the federal government when they immigrated to Canada are still in effect, then it would appear to be a federal responsibility to review, revise or revoke such privileges. But education, we understand, is a provincial responsibility and the first and most important step leading to the eventual integration of these people should be the abolishing of colony schools and the attendance of Hutterite children at regular schools.

We anticipate strong opposition to the application for approval of the establishment of a new colony near Kirkcaldy. Under present conditions a Hutterite colony is not a welcome addition to a district. Add to this feeling the thought that this land, at normal prices, could otherwise possibly be acquired by and support several families of young farmers, and the resentment of both farmers and townspeople is understandable.

IN MEMORIAM

STEWART— In loving memory of Roy Stewart who passed away Jan. 5, 1958.

Without farewell he fell asleep,
With only memories for us to keep,
We have lost, but God has gained,
One of the dearest fathers the world contained.

—Ever remembered by his wife and son. 22-1p

BURNS— In loving memory of our dearly beloved husband and father, Herbert Spencer Burns, who passed away Jan. 5, 1960.

Dear Dad in silent sadness,
We think of the days gone by,
When we were altogether,
No sorrow clouded our sky.
But now our circle is broken
We daily miss you more.
We long for that glad morning
To clasp your hand once more
It's lonesome here without you,
And sad our dreary days.
Life to us is not the same
Since you were called away.
You left us beautiful memories
And sorrow too great to be told.
To us that loved you and lost you,
Your memory will never grow old
You sleep in God's beautiful garden,
Sheltered from sorrow and pain.
We know when our life here is ended
We'll meet darling Daddy in Heaven again.

—Lovingly remembered and sadly missed by his lonely wife, daughter and sons.

Letters to the Editor

To the Editor of The Advocate,
Dear Sir:

In regards to recent "Lomond News Items" sent in to the Advocate by our worthy news correspondent, I feel, in all fairness to our local cafe, it should be known that certainly it would not seem to be the general opinion over here that you cannot get a cup of coffee. As witness, the busy housewife, who, with but little time between household chores, is kept impatiently waiting downtown, owing to frequent and sometimes lengthy coffee breaks, to attend to business matters. At last she rushes frantically home to prepare a tardy meal for friend hubby; the latter, falsely, but nonetheless hotly accusing her of "gabbing in the coffee shop."

We feel we have a decent, clean cafe for our small town, having been renovated recently, and passing health inspection, etc., and certainly fought for by many of our citizens. Or do we forget the months with no cafe? Our friend and fellow business man must be pleasing quite a few according to different very successful banquets he has catered to this fall. One man alone can do just so much to make a living anywhere, and after early morning opening, 'till on in the evening, a human being has earned some rest, as do we all. We surely do not want one person to put in longer hours on the off-chance a handful of people just might decide they'd like a cup of coffee.

The business people are very pleased with the number of farmers who drive to town to patronize us, and hope we can continue to serve them to the best of our ability. I am sure, not too many of said farmers feel like running into town just for a cup of coffee, when they can perk their own with much less time and bother.

We are a small town, run as such, and with co-operation, hope to grow. But in the meantime, when there is call for it, we can still make a cup of coffee in our own kitchen. A Happy New Year, and the best to all.

A Local Business Man,
Lomond.

To Editor of The Advocate
Dear Sir:

On behalf of the Alberta Tuberculosis Association, we would at this time like to express our thanks and sincere appreciation to you for the excellent publicity you have given our Mass Chest X-ray Survey program in your district.

The clinics were quite successful, and the sucess of such, is no doubt due to the conscientious endeavour of all the committees concerned, and your newspaper in giving us the necessary publicity.

Thanking you for your personal interest in our program of tuberculosis control in your community, I remain,

Yours very truly,
C. B. PUGH,
Director of X-ray Surveys.

CARMANGAY

WEST COUNTRY WOMEN'S CLUB

The West Country Women's Club held their meeting and Christmas party recently at the home of Mrs. Gladys McGinnis with a good attendance. Due to the absence of the secretary, Mrs. Florence McLeod took the minutes.

Following the meeting a program arranged by Mrs. Mabel Clarke and Mrs. Rosella Hubka took place. Several contests were participated in with total highest points going to Mrs. Phyllis Clark. Mrs. Marj McFarland received her Polly Anna.

The highlight of the afternoon was the exchange of Christmas gifts by the matching of a Christmas card puzzle. A delicious lunch was served by the hostess.

LIONS CHRISTMAS PARTY

The members of the Lions Club of Carmangay held their regular Christmas party on Tuesday evening, Dec. 20, with a very good attendance. The hall was decorated with boughs and a beautiful decorated tree.

Master of ceremonies was Rudy Hubka. Bingo was played. Entertainment was provided by some of Mrs. Glen Moore's Grade 3 and 4 pupils with a recitation and a song. Three films were shown during the evening. The highlight being "The Mounties Musical Ride." Mrs. Emma Smith conducted a square dance with the children. Joy Laczo and Connie Stettner favored the roup with two numbers. A community sing-song was led by Joy Laczo, Connie Stettner and Rudy Hubka.

The president, Wes Knight, presented Arnold Frieson and John West with Lion rings.

Santa arrived and presented gifts and candy bags to the children. A buffet lunch concluded the very enjoyable evening.

CHRISTMAS CONCERT

The Community Christmas Concert was held on Dec. 22, in the Community Hall.

The Grades one and two acted out a number of Christmas songs. Grades three and four acted out Mother Goose, rhymes in song and action. The Girl Guides held a campfire sing-song.

The Drama Club presented the Christmas Pageant, assisted by the United Church Junior Choir. Santa arrived and presented each child with a candy bag. A dance followed the program.

Judging by the way some stores keep up their stocks, they need to erect a sign reading, "If it's to be had, we had it."
